

Walker Crips Structured Deposits

Fair Value Assessment & Target Market Information

April 2024

Firm name	Walker Crips Investment Management Limited
Product / service name	Walker Crips Structured Deposits

Product/Service Information

Walker Crips Structured Investments provide carefully considered structured deposits designed to complement traditional investment strategies as part of a diversified and balanced portfolio. They are designed with a variety of features to suit a full range of risk appetites and investment objectives.

Structured Deposits are a UK deposit provided by banks with varying terms which are designed to track the performance of an underlying equity index. Structured Deposits are capital protected products and are designed to offer an enhanced return above conventional UK cash deposit accounts.

Fair Value Assessment

All Structured Deposit products are subject to the firm's consumer duty process at product level ahead of each product launch which covers the following assessments:

- Price Analysis
- Benchmarking Analysis
- Costs Analysis
- Benefits Analysis

Confirmation on whether each product meets the firms' consumer duty fair value process for customers identified within the target market can be found on the Adviser Factsheet document for each plan which is for professional investors and advisers.

Target market

Knowledge and experience:

- Investors who are informed investors who exhibit an average ability to understand relevant complicated financial products or have several investment holdings with fairly frequent trading activity or can demonstrate some financial industry experience/interest.
- Investors who are advanced investors who have a good ability to understand relevant complicated financial products. They may hold large numbers of diverse investments with frequent trading activity or have alternative experience with high-risk or complex investments. They may also possess financial industry experience, interest, and/or knowledge.
- Investors who have received a personal recommendation from an Independent Financial Adviser (IFA). For the avoidance of doubt, a basic investor whom has received a personal recommendation from an IFA is considered an advanced investor.
- Investors who have not received a personal recommendation from an Independent Financial Adviser but are classified as either an informed or advanced investor via an Appropriateness Assessment undertaken for MiFID complex investments.
